

# Left Right Dilemma

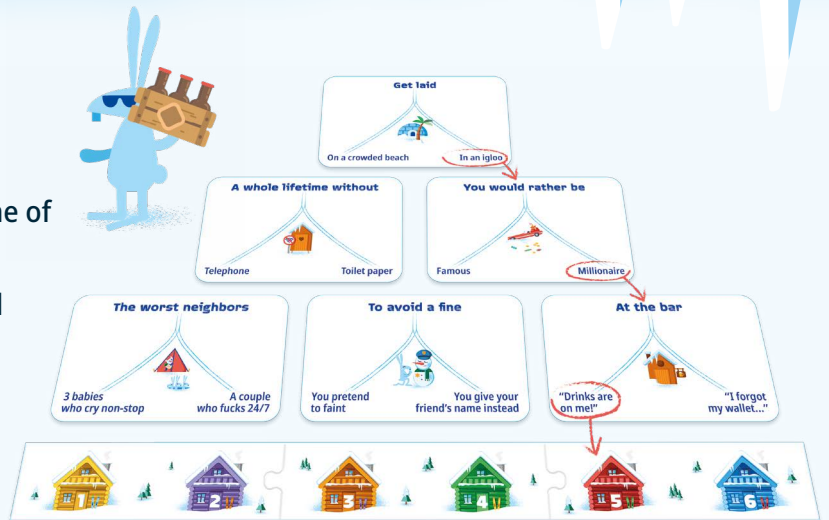

## Caution: Slippery Slope!

Answer off-the-wall dilemmas while your besties try to guess your responses.

*Left Right Dilemma* is a cooperative party game for adults that will reveal your friends' unspoken (and sometimes shameful) preferences.

### How to play?

- 1 Read the card at the summit and choose one of the two options.
- 2 Continue to the card under your choice and answer a new dilemma.
- 3 End your descent in a cabin.
- 4 Do your friends know you well enough to figure out which cabin you reached?
